

PROFILE OF Dr (PROF) ANANT KUMAR

Dr (PROF) ANANT KUMAR

Education

M.B.B.S., M.S., M.Ch., DNB

Best Graduate from KG Medical College and Best postgraduate in surgery.

Awards

Won many awards and distinctions during medical education and training

Present Position

Director
Department of Urology & Renal Transplantation,
Fortis Hospitals
New Delhi,

Training

I have my Urology training in Post Graduate Institute of Medical Education & Research, Chandigarh. I also had training in various aspects of urology & renal transplantation at Monas Medical Centre Melbourne, Cleveland Clinic Ohio, Harlev Hospital, Denmark, Royal Victoria Infirmary & Freeman Hospital Newcastle UK, Washington University, St. Luis and John Hopkins, Baltimore, USA.

Experience

I have 25 years of experience in Urology & Renal Transplantation as a teacher and clinician.

Clinical Work

I have done over 1600 kidney transplantations in last 21 years & have been retrieving all kidneys laparoscopically in last 9 years and have done over 500lap donor nephrectomy. I have extensive experience in renovascular hypertension. I have done several hundred endourological procedures like PCNL, URS, flexible ureteroscopy, endopyelotomy, TURP, TUBT, optical urethrotomy etching have special interest in urethral reconstruction like substitution urethroplasty.

I have been interested in uro-oncology & have done all kinds of oncological surgery in last 25 years. Most of uro-oncological procedures are done laparoscopically like rad nephrectomy ,rad prostate etc.

I have done all kinds of reconstructive urology of kidney, bladder & urethra. I have developed special interest in laparoscopic urology & now performed all most all laparoscopic urological procedures. I have been doing Laser prostatectomy(HOLAP) for last 3 years

Paper Published:

I have published over 200 papers in the national & international journals. I have also written several book chapters and invited review.
