Brief Profile

Dr. Ajay K. Sachdev, (MS, Ph.D) has been the founder member of the super-speciality department of G.I. Surgery in the reputed G.B. Pant Hospital, New Delhi. He was the first G.I. Surgeon appointed by the Ministry of Health, Government of India in Central Health Services, teaching cadre. He was instrumental in starting M.Ch (G.I. Surgery) super specialty course in the department and has been a teacher, examiner and guide for the same for more more than a decade. He also has an experience of being the subject expert in the UPSC and CHS, (Govt. of India). He has an exclusive & wide core experience of over 25 years in G.I. Surgery.

He is a keen academician & has published numerous research papers in both national and international journals of repute and contributed various chapters in books related to G.I. Surgery. He had been a member, editorial board, of various journals and text books. He has also

delivered a number of invited lectures in various conferences. He has been an invited faculty to reputed institutes.

Dr. Sachdev has evolved many new & innovative procedures for treating complex G.I. Surgeries including, radical surgery for G.I. Cancers. He was also one of the founder members of Indian Association of Surgical Gastroenterology (IASG) and joint secretary/ organising secretary of the same for a couple of years.

Before joining Artemis, he was the Coordinator of Gastro Sciences Centre at Batra Hospital & Research Centre, Delhi and was instrumental in starting the DNB programme in their Gastroenterology department.
